This is a brief description of the USC Student Health Plan. The Plan is available for University of Southern California students. The Plan is underwritten by Aetna Life Insurance Company (Aetna). The exact provisions governing this insurance are contained in the Master Policy issued to the University of Southern California and may be viewed online at [www.aetnastudenthealth.com](http://www.aetnastudenthealth.com). If any discrepancy exists between this Benefit Summary and the Policy, the Master Policy will govern and control the payment of benefits.

## USC Student Health Services

If you are enrolled in the ON Campus Insurance Plan, you must first visit the USC Student Health Center on your campus for non-emergency care, while classes are in session in the Fall and Spring. If you attend classes on the University Park Campus, you should use The Engemann Student Health Center. If you are registered for classes on the Health Sciences Campus, you should use the Eric Cohen Student Health Center.

The USC Student Health Center is where you first receive your primary medical care. Once you've seen a medical professional at the Student Health Center and it is determined that you require additional medical care, you will be given a referral. The USC Student Health Center will make every attempt to refer you to a USC In-Network Provider; however it is your responsibility to verify that the doctor you've been referred to is actually in the USC Network

## Coverage Period

Coverage for all insured students enrolled for coverage in the Plan for the following Coverage Periods. Coverage will become effective at 12:01 AM on the Coverage Start Date indicated below, and will terminate at 11:59 PM on the Coverage End Date indicated.

Coverage Period	Coverage Start Date	Coverage End Date	Enrollment/Waiver Deadline
Annual	8/18/2014	08/16/2015	9/12/14
Fall	8/18/2014	01/11/2015	9/12/14
Spring/Summer	1/12/2015	08/16/2015	01/30/15

## Rates

The rates below include both premiums for the Plan underwritten by Aetna Life Insurance Company (Aetna), as well as a University of Southern California administrative fee.

Rates On Campus Students			
	Annual	Fall Semester	Spring/Summer Semester
Student	\$1,712	\$610	\$1,102

## Student Coverage

USC requires that ALL students have health insurance. This will help to cover the cost of care that cannot be obtained on campus, especially in emergency situations where hospitalization may be required.

### Eligibility

All on Campus students carrying six units or more are automatically enrolled in, and charged for, the USC on Campus Student Health Insurance Plan. All International and Health Sciences campus students are required to have health insurance and are automatically enrolled in this plan, even if they carry less than six units. Enrolled students taking less than six units are eligible to enroll on a voluntary basis.

## ENROLLMENT PROCESS/PROCEDURE

On Campus students carrying six units or more will be automatically enrolled in this Plan, unless the completed Request for Waiver Form has been received by the University of Southern California by the specified enrollment deadline dates listed in the previous section of this Plan Design and Benefits Summary and the Request for Waiver has been approved. On Campus students carrying less than six (6) units are eligible to enroll in the plan voluntarily. To enroll online or obtain an enrollment application for voluntary coverage, log on to [www.aetnastudenthealth.com/usc](http://www.aetnastudenthealth.com/usc) then click on Enroll/Request to Waive to begin the enrollment process.

**Exception:** A Covered Person entering the armed forces of any country will not be covered under the Policy as of the date of such entry. A pro rata refund of premium will be made for such person, upon written request received by Aetna within 90 days of withdrawal from school.

## WAIVER PROCESS/PROCEDURE

If you already have a health insurance plan (or you are on your parents' plan) you may be eligible to waive enrollment in the USC Student Health Insurance Plan by providing **proof of comparable coverage** (see criteria below).

### To waive the USC Student Health Insurance Plan, your other coverage must:

- Be compliant with the Affordable Care Act to be accepted for waiver.
- Your current policy provides comprehensive coverage. (Policies providing only Emergency or Urgent Care will NOT be accepted for waiver.)
- Your current policy has an annual out-of-pocket expense of **\$6,350** or less.
- Your current policy provides access to in-network (preferred) providers in the Los Angeles area.
- You will maintain insurance meeting the University's standards as long as you remain a student at the University of Southern California.
- You understand your waiver request information will be verified. Upon request, you will be able to provide verifiable proof of my coverage.
- You understand if your waiver is not approved, you will be charged the health insurance premium for the USC Student Health Insurance Plan and it will appear on your USC fee bill.
- You acknowledge you are responsible for payment of all fees, co-pays, co-insurance and deductibles for medical and mental health treatment not covered by my insurance or included in the USC Student Health Center Fee. You understand some health facilities may require payment at the time treatment is provided.
- You understand that if you are an international student at USC, your insurance policy must meet the minimum requirements to support your visa. Most international plans do not meet the requirements and are not accepted.

If you are eligible to waive coverage, you must submit a request for waiver online before the deadline date. To submit a request to waive out of the USC Student Health Insurance Plan, you will begin by logging into your OASIS account. Click on Student Health Insurance, which is listed as the last item under "other services" in OASIS. This will bring you to the Aetna Student Health online waiver system where you will follow the instructions to complete your online request for waiver. Before you begin the request for waiver process, please make sure you have your current insurance card with you as you will need information off this card to submit a request for waiver.

## Preferred Provider Network

Aetna Student Health has arranged for you to access a Preferred Provider Network in your local community. To maximize your savings and reduce your out-of-pocket expenses, select a Preferred Provider. It is to your advantage to use a Preferred Provider because savings may be achieved from the Negotiated Charges these providers have agreed to accept as payment for their services.

## Pre-certification Program

Your Plan requires pre-certification for a hospital stay. Pre-certification simply means calling Aetna Student Health prior to treatment to get approval for a medical procedure or service. Pre-certification may be done by you, your doctor, the hospital, or one of your relatives. Requests for certification must be obtained by contacting Aetna Student Health at **(877)626-2299**.

- **If you do not get pre-certification** for non-emergency inpatient admissions, or give notification for emergency admissions, your covered medical expenses will be subject to a **\$500** per admission Penalty.
- **If you do not get pre-certification** for partial hospitalizations, your covered medical expenses will be subject to a **\$500** per admission Penalty.

### You'll need pre-certification for the following inpatient services:

- All inpatient admissions, including length of stay, to a hospital, skilled nursing facility, a facility established primarily for the treatment of substance abuse, or a residential treatment facility;
- All inpatient maternity care, after the initial 48 hours for a vaginal delivery or 96 hours for a cesarean section;
- All partial hospitalization in a hospital, residential treatment facility, or facility established primarily for the treatment of substance abuse

### Pre-certification does not guarantee the payment of benefits for your inpatient admission.

Each claim is subject to medical policy review, in accordance with the exclusions and limitations contained in the Policy, as well as a review of eligibility, adherence to notification guidelines, and benefit coverage under the student Accident and Sickness Plan.

### Pre-certification of non-emergency inpatient admissions and partial hospitalization

Non-emergency admissions must be requested at least **three (3) business days** prior to the planned admission or prior to the date the services are scheduled to begin.

### Pre-certification of emergency inpatient admissions

Emergency admissions must be requested within **one (1) business day** after the admission.

## Description of Benefits – On Campus Student Medical Plan

The Plan excludes coverage for certain services and contains limitations on the amounts it will pay. While this Plan Design and Benefits Summary document will tell you about some of the important features of the Plan, other features may be important to you and some may further limit what the Plan will pay. To look at the full Plan description, which is contained in the Master Policy issued to the University of Southern California, you may access it online at **[www.aetnastudenthealth.com](http://www.aetnastudenthealth.com)**. If any discrepancy exists between this Benefit Summary and the Policy, the Master Policy will govern and control the payment of benefits. All coverage is based on Recognized Charges unless otherwise specified.

## Referral Requirements

---

For most services, referrals are REQUIRED for care received outside of the USC Student Health Centers with the following exceptions listed below. Due to the implementation of the Patient Protection and Affordable Care Act, applicable state laws, and University requirements, a referral will not be required for the following circumstances:

- Treatment of an Emergency medical condition
- Routine and Preventive Services (see below for coverage details)
- Official School breaks (If your specific school is on break and you need to seek medical attention, no referral is required)
- OB/GYN Care
- Maternity Care
- Pediatric Care

Aetna will cover the mandated U.S Preventive Service Task Force (USPSTF) recommended services, as well as the Advisory Committee on Immunization Practices (ACIP) immunization recommendations, and additional mandated immunizations and services under the Health Resources and Services Administration (HRSA) guidelines for children, adolescents and women's preventive care. Resources and a Q&A on these recommended services can be found here:

<http://www.healthcare.gov/law/resources/regulations/prevention/recommendations.html>

<https://www.aetna.com/health-reform-connection/questions-answers/preventive-care.html>

For all other care, a referral is REQUIRED for On Campus Students for all treatment received outside the USC Student Health Centers when school is in session during fall and spring. You may NOT receive care from any provider outside the USC Student Health Centers without a referral from the USC Student Health Centers. If you receive care without a referral – regardless of whether it is a Preferred Provider or Non-Preferred Provider – your expenses will not be covered.

If you are a student registered on the University Park Campus, please use the Engemann Student Health Center. If you are a student registered on the Health Sciences Campus, please use the Eric Cohen Student Health Center.

Satellite Campus and Off Campus Online Degree Program Students are not eligible to utilize the services of the USC Student Health Centers and are therefore not subject to the referral requirements and penalties for non-compliance.

\*\*Follow-up Care due to an Emergency Medical Condition will require a referral from a USC Student Health Center. Students registered on the University Park Campus must use the Engemann Student Health Center. Students registered at the Health Sciences Campus must use the Eric Cohen Student Health Center.

**Dental Injury Expense****90%** of the Actual Charge

If you opt to receive dental services that are not covered services under this Policy, a participating dental provider may charge you his or her usual and customary rate for those services.

Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about dental coverage options, you may call Aetna Student Health at **(877) 626-2299**. To fully understand your coverage, you may wish to carefully review the Master Policy document.

## Exclusions

This Plan does not cover nor provide benefits for:

1. Expense incurred as a result of dental treatment; except for medically necessary dental or orthodontic services that are an integral part of reconstructive surgery for cleft palate procedures; treatment resulting from injury to sound; natural teeth or for extraction of impacted wisdom teeth as provided elsewhere in this Policy.
2. Expense incurred for services normally provided without charge by the Policyholder's Health Service; Infirmary or Hospital; or by health care providers employed by the Policyholder.
3. Expense incurred for eye refractions; vision therapy; radial keratotomy; eyeglasses; contact lenses (except when required after cataract surgery); or other vision or hearing aids; or prescriptions or examinations except as required for repair caused by a covered injury or disease process, unless otherwise provided in the Policy.
4. Expense incurred as a result of an injury or sickness due to working for wage or profit or for which benefits are payable under any Workers' Compensation or Occupational Disease Law.
5. Expense incurred for treatment provided by a governmental medical facility unless there is a legal obligation to pay such charges in the absence of insurance.
6. Expense incurred for elective treatment or elective surgery except as specifically provided elsewhere in this Policy and performed while this Policy is in effect.
7. Expense incurred for cosmetic surgery, reconstructive surgery, or other services and supplies which improve, alter, or enhance appearance whether or not for psychological or emotional reasons. This exclusion will not apply to the extent needed to: (a) Improve the function or create a normal appearance to the extent possible of a part of the body that is not a tooth or structure that supports the teeth and is malformed as a result of a congenital defect, including harelip, webbed fingers or toes, or as a direct result of disease or surgery performed to treat a disease or injury; (b) Repair an injury (including reconstructive surgery for prosthetic device for a covered person who has undergone a mastectomy) which occurs while the covered person is covered under this Policy.

13. Expense incurred for which no member of the covered person's immediate family has any legal obligation for payment.
14. Expense incurred for custodial care. Custodial care means services and supplies furnished to a person mainly to help him or her in the activities of daily life. This includes room and board and other institutional care. The person does not have to be disabled. Such services and supplies are custodial care without regard to: by whom they are prescribed; or by whom they are recommended; or by whom or by which they are performed.
15. Expense incurred for the removal of an organ from a covered person for the purpose of donating or selling the organ to any person or organization. This limitation does not apply to a donation by a covered person to a spouse; child; brother; sister; or parent.
16. Expenses incurred for or in connection with procedures, services, or supplies that are, as determined by Aetna, to be experimental or investigational. A drug, a device, a procedure, or treatment will be determined to be experimental or investigational if: (a) There are insufficient outcomes data available from controlled clinical trials published in the peer reviewed literature to substantiate its safety and effectiveness for the disease or injury involved; or (b) If required by the FDA, approval has not been granted for marketing or a recognized national medical or dental society or regulatory agency has determined in writing that it is experimental, investigational, or for research purposes; or (c) The written protocol or protocols used by the treating facility, or the protocol or protocols of any other facility studying substantially the same drug, device, procedure, or treatment, or the written informed consent used by the treating facility, or by another facility studying the same drug, device, procedure, or treatment, states that it is experimental, investigational, or for research purposes. However, this exclusion will not apply with respect to services or supplies (other than drugs) received in connection with a disease if Aetna determines that: (a) The disease can be expected to cause death within one year in the absence of effective treatment; and (b) The care or treatment is effective for that disease or shows promise of being effective for that disease as demonstrated by scientific data. In making this determination; Aetna will take into account the results of a review by a panel of independent medical professionals. They will be selected by Aetna. This panel will include professionals who treat the type of disease involved; or (c) The covered person has been accepted into a phase I, II, III, or IV approved cancer clinical trial and the attending physician recommended the program. Also, this exclusion will not apply with respect to drugs that: (a) Have been granted treatment investigational new drug (IND) or Group c/treatment IND status; or (b) Are being studied at the Phase III level in a national clinical trial; sponsored by the National Cancer Institute if Aetna determines that available, scientific evidence demonstrates that the drug is effective or shows promise of being effective for the disease.
17. Expense incurred for; or related to; services; treatment; testing; educational testing and training.
18. Expense incurred for alternative; holistic medicine; and/or therapy; including but not limited to; yoga and hypnotherapy.
19. Expense incurred when the person or individual is acting beyond the scope of his/her/its license.

26. Expense for services and supplies for or related to gamete intrafallopian transfer; artificial insemination; in-vitro fertilization (except as required by the state law); or embryo transfer procedures; elective sterilization or its reversal; unless specifically provided for in this Policy.
27. Expenses incurred for massage therapy, unless medically necessary in conjunction with covered Physical Therapy or Chiropractic Expenses.
28. Expenses incurred for; or in connection with; speech therapy. This exclusion does not apply for charges for speech therapy that is expected to restore speech to a person who has lost existing function (the ability to express thoughts; speak words; and form sentences); as a result of an accident or sickness.
29. Expense incurred for; or related to sex change surgery in excess of **\$50,000** per Lifetime
30. Expense for charges that are not recognized charges; as determined by Aetna; except that this will not apply if the charge for a service; or supply; does not exceed the recognized charge for that service or supply; by more than the amount or percentage; specified as the Allowable Variation.
31. Expenses for routine vision exams; routine dental exams; routine hearing exams; except to the extent coverage of such exams; is specifically provided in the Policy.
32. Expense incurred for a treatment, service, or supply which is not medically necessary as determined by Aetna for the diagnosis care or treatment of the sickness or injury involved. This applies even if they are prescribed, recommended, or approved by the person's attending physician; or dentist. In order for a treatment, service, or supply to be considered medically necessary, the service or supply must: (a) be care or treatment which is likely to produce a significant positive outcome as, and no more likely to produce a negative outcome than, any alternative service or supply, both as to the sickness or injury involved and the person's overall health condition; (b) be a diagnostic procedure which is indicated by the health status of the person and be as likely to result in information that could affect the course of treatment as, and no more likely to produce a negative outcome than, any alternative service or supply, both as to the sickness or injury involved and the person's overall health condition; and (c) as to diagnosis, care, and treatment, be no more costly (taking into account all health expenses incurred in connection with the treatment, service, or supply) than any alternative service or supply to meet the above tests. In determining if a service or supply is appropriate under the circumstances, Aetna will take into consideration: (a) information relating to the affected person's health status; (b) reports in peer reviewed medical literature; (c) reports and guidelines published by nationally recognized health care organizations that include supporting scientific data; (d) generally recognized professional standards of safety and effectiveness in the United States for diagnosis, care, or treatment; (e) the opinion of health professionals in the generally recognized health specialty involved; and (f) any other relevant information brought to Aetna's attention. In no event will the following services or supplies be

considered to be medically necessary: (a) those that do not require the technical skills of a medical, a mental health, or a dental professional; or (b) those furnished mainly for the personal comfort or convenience of the person, any person who cares for him or her, or any persons who is part of his or her family, any healthcare provider, or healthcare facility; or (c) those furnished solely because the person is an inpatient on any day on which the person's sickness or injury could safely and adequately be diagnosed or treated while not confined, or those furnished solely because of the setting if the service or supply could safely and adequately be furnished in a physician's or a dentist's office or other less costly setting.
