

# Delta Dental welcomes University of Southern California Students

Delta Dental of California is pleased to offer our PPO schedule reimbursement plan to the students of USC.

Students and their families can rely on Delta Dental to provide cost management, comprehensive care and superior access to dentists.

You can feel confident knowing that you've selected a plan that promotes oral health and allows for easy access to care.

## 1. Outstanding Dentist Access

- Our two-tiered dentist network includes 92 percent of all dentists in California.
- Delta Dental PPO<sup>SM</sup> dentists accept fee discounts that average 20-35 percent and Delta Dental Premier<sup>®</sup> dentists accept discounts that average 6-10 percent.
- Excellent access to network dentists, freedom to choose any dentist.
- Stable network with 98 percent dentist retention provides assurance that students can enjoy a relationship with their dentist while they are at USC.

## 2. Comprehensive Preventive Services

- Promotes improved student oral health as well as overall health.
- May reduce the need for more expensive, restorative dental services that can result from undetected problems.

## 3. Dental Implant Coverage

- Provides more treatment options for students.
- Allows a single tooth replacement without impacting surrounding teeth.

## 4. Third Cleaning for Pregnant Women

- Proactively promotes oral health among pregnant women.
- Can benefit both the mother and the child and improve overall health.

## 5. Advanced Online Services

- Delta Dental has set up a custom web page for USC students — [deltadentalins.com/usc](http://deltadentalins.com/usc)
- Students are able to use the website to locate and map dentist offices, check benefits and eligibility and print ID cards.
- Delta Dental's Fee Finder tool enables students to check the average fee charged for specific services within a ZIP code, thereby allowing students to better budget their dental costs.

## 6. Easy Enrollment

- Students are able to enroll for the Delta Dental PPO dental plan for the entire school year, without having to worry about monthly payments.
- An enrollment form submitted to Student Health Insurance will ensure your coverage, beginning 8/15/2016.
